Fourth Quarter 2018 **Progress Summary**

Catalyst Corporate is pleased to report continued progress during the fourth quarter of 2018. Not only has Catalyst Corporate met the broad objectives of its original business plan, but it also has outperformed most budget projections during every period since.

Catalyst Corporate publishes an annual Due Diligence Report a comprehensive publication aimed at promoting transparency by helping members monitor adherence to commitments in the areas of financial performance, regulatory compliance, investment activity and future plans. As a supplement to the Due Diligence Report, this Progress Summary provides a snapshot of Catalyst Corporate's performance to date, offering information about membership growth and key performance ratios.

The Progress Summary also includes graphics illustrating Catalyst Corporate's performance related to key ratios that were established by the NCUA and by Catalyst Corporate's Board of Directors. A review of this information confirms the long-term sustainability of

the business model. We hope the successful implementation of Catalyst Corporate's member-driven strategies serves as affirmation of your credit union's dedication to support Catalyst Corporate through capitalization and ongoing patronage.
